Thanks

Thanks goes out to the two ladies spotted by staff picking up trash on their morning walk, Wednesday. We also want to thank all the other people who do it on a regular basis. It's people like you that makes a difference in our Town.

This is why we own property here!!

Yesterday was a beautiful day in Southern Shores; temperature around 70 degrees and light winds. Go to ["a day at the beach"](#) for photos.

Town Offices Closed Monday

The Southern Shores Town Offices will be closed Monday, February 20, 2006, in observance of President's Day. Trash and Recycling will be picked up as scheduled on Monday and the Planning Board will be meeting as scheduled on Monday night 7PM in the Pitts Center. ([see agenda](#)).

2006 TOWN PARKING PERMITS ARE AVAILABLE AT TOWN HALL

Check to see if you have a current parking permit. The 2006 permits are red and are good until the end of 2006. To obtain a 2006 Town Parking Sticker, you must complete an application form for each vehicle owned by the permanent resident or property owner and bring them to the **Town Hall (not the Police Department)**. Office hours are 8:30 AM to 5PM, Monday thru Friday, or mail your applications to Southern Shores Town Hall, 6 Skyline Rd., Southern Shores, NC 27949, enclosing a self addressed return envelope. The sticker will then be mailed back to you. The form is available by going to ["application"](#) on the Town's web site.

There is no parking allowed along the streets of Southern Shores except in those specific areas where there is a Town sign marking designated Town parking areas. The Sticker allows you to park in those designated Town parking areas, which are primarily at beach accesses and the new Town parking lot at Chicahawk Trail. You cannot park in these areas without a Town Parking Sticker and violators will be ticketed. The Town Parking Sticker is not valid at private parking areas such as those operated by the Southern Shores Civic Association or the Chicahawk Property Owners Association, both of which have their own systems of parking passes for their properties as designated.

Chipping:

The Chipper will be in Sector #4 the week of February 20, and your brush should be placed out by Monday morning. Sector #1 can start putting their brush out for chipping. For more information and schedule on the program go to [Chips](#). To see a sector map go to [Map](#).
